

**Subject Line:** I can barely contain my excitement for tomorrow 🙈

Guys...I am SO excited for our Marketing Leadership Summit tomorrow. How excited you ask??

**THAT** 🙌😊 excited! *(Side note: I need to stop blindly agreeing to be in photoshoots around here)*

A couple reminders before we go live tomorrow:

1. Recordings of every session will be available on [Drift Insider](#) **for free** for 30 days after the event concludes.
2. You can grab a calendar link to any individual session(s) on [this page](#).

Can't wait to see you there!

-George
